

BALLET CLASSES

JUNIOR KINDERGARTEN & UP 2009-2010 SEASON

Dear BSS Parents and Students,

I would like to take this time to thank you for a wonderful year.

NEW FOR THE UPCOMING SEASON: I am excited to let all parents know that we have made some positive changes to the BSS ballet program for 2009 -2010. Parents will be delighted to see that we have worked to increase the focus on high quality programs designed to help students work towards a Royal Academy of Dance (RAD) exam if they wish. We have also been able to coordinate all classes on a single day, Wednesday, again for next year. They will be held on Wednesday this year, with the bulk taking place after school. After discussion with the school, Interplay has agreed to focus on BSS student registrations in the after school program slots and then when permitting expand the class to include outside (non BSS) students in the program. This will ensure that classes are full and focused on serious study for all participants. The only exception to this will be the SK program which will remain a BSS exclusive class and will continue to be offered at the lunch hour as in previous years. For those SK students moving into grade 1, you will need to now move to our after school program time. New this year, JK students will also be offered a program right after school on Wednesdays beginning in terms 3 and 4 in January 2010. We will also be offering jazz/hip hop for students, Grades 1 to 3. This new program will enhance the ballet curriculum.

These changes to the BSS Grade 1-3 programs will allow Interplay to focus on the level of the ballet student and not only their age. If we believe your child would benefit from work at a higher level, they will now have the opportunity to make adjustments to their dance program. Students wishing to participate in the exam program will need to take ballet twice a week starting in the first term. If you would like more information about examinations, please visit the Interplay website (www.interplay-dance.ca).

BALLET STAFF

I would like to welcome Charissa Zoeltmulder, Stephanie Landry and Suha Ozler back for another wonderful year at BSS along with Flora Chen, our favourite pianist. New staff will also be hired for our upcoming jazz/hip hop program. More details will be given as soon as available.

CURRICULUM

All ballet classes will follow the Royal Academy of Dance's examination curriculum. The teacher will follow this curriculum in order for the students to develop in their ballet classes. The children will develop such life skills as discipline, body awareness, memory, co-ordination, working as a group, working individually and many more. The BSS Grade 1, 2 and 3 classes will also be learning free movement and character work which is part of the RAD syllabus. If you would like to read more about the Royal Academy of Dance, please visit their website at www.radcanada.org.

The NEW Jazz/Hip hop program will give students a sense of movement of the pop music of today.
